## Where Students & Colleges Connect

The **SAGE Scholars Virtual College Fair** is a **one-of-a-kind event** dedicated to connecting SAGE Scholars parents and students with member colleges and universities. Families can attend sessions run by experts from member colleges to learn about the **new college admissions process**, get answers to **today's financial aid & FAFSA questions**, join a discussion on **what college is like now**, and hear from experts on **how to prepare for college**.

The SAGE Scholars Educational Foundation is offering high school seniors attending the Virtual College Fair an opportunity to earn a **\$1,000 scholarship** if they matriculate to a member college or university participating in the Fair. In addition, all attending students will be entered into a raffle for a chance to win one of **five \$100 Amazon gift certificates**.
